## DETAILED ACTION

### *Allowable Subject Matter*

Claims 1-26 are allowed.

#### **Regarding independent claims 1,9,20,22,23**

The prior art, Stewart et al (US 6571221) fails to teach or show the following underlined conditions for the selecting the communication path/link:

1. **upon determining that the request requires user-dependent information, performing substeps:**

retrieving the user-dependent information by at least one secure location server;  
submitting the request with the user-dependent information to a service provider for retrieving information;  
receiving location dependent information by at least one secure location server;  
formatting a response according to location dependent information;  
and presenting the response to the wireless device.

2. **upon determining that the request does not require user-dependent information**, utilizing a alternative connection to the information network. All the other dependent claims are also allowed since the Examiner fails to find the prior art to reject the independent claims.

**Conclusion**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Muthuswamy G. Manoharan whose telephone number is 571-272-5515. The examiner can normally be reached on 7:30AM-4:30 PM.
